

SVHC DECLARATION

The Candidate List of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) on and before January 22, 2019 contains one hundred and ninety seven substances. According to Article 33(1) of the Regulation (EC) No. 1907/2006, manufacturers and importers of articles are required to notify their customers of the presence of any Substances of Very High Concern (SVHC) in their products exceeding 0.1% weight by weight (w/w) and provide instructions on safe use of the product including as a minimum the name of the substance in the Candidate List.

IMERYS natural graphite products are not directly addressed by this Candidate List and furthermore none of the substances listed in the SVHC list are intentionally added/used by IMERYS Graphite & Carbon in any of its products. Regardless, we perform analyses for selected representative samples for the products listed below at an independent external laboratory.

We herewith certify to the best of our knowledge and belief that all IMERYS natural graphite products are compliant with the SVHC Candidate List updated January 22, 2019.

IMERYS Graphite & Carbon Product Information

Product Family Description: **Natural Graphite**

Commercial grades covered by this declaration:

TIMREX® PP

TIMREX® PG

SVHC TESTING PERFORMED BY:

SGS-CSTC Standards Technical Services (Shanghai) Co., Ltd.

Building 8, No.69, 1159 East Kangqiao Rd., Pudong District, Shanghai, P.R. China

RESULTS

According to the specified scope and evaluation screening, the test results of SVHC are $\leq 0.1\%$ (w/w) in the submitted sample	PASS
