

Shelf life declaration for TIMROC® products

April 2014

| | |
|----------------------------------|--|
| Brand name | TIMROC® |
| Form | Powders. |
| Packaging | Paper bags. Big bags. |
| Storage | Store in a protected environment, in a cool and dry place and in the original packaging. |
| Shelf life | At least five (5) years if original packaging is intact. |
| Usability | Shelf life depends on degradation of the packaging and not of the goods. For coarse particle size in big bags please beware of segregation effects. |
| Waste / Residual disposal | <p>Product Allocation of a waste code number, according to the European Waste Catalogue, should be carried out in agreement with the regional waste disposal company.</p> <p>Packaging Residuals must be removed from packaging and when emptied completely disposed of in accordance with the regulations for waste removal. Incompletely emptied packaging must be disposed of in the form of disposal specified by the regional disposer.</p> |
